 - Place items with multiple pieces in a baggie. Tape the bag shut. Tape or pin tag on the outside of the bag. No tags inside a baggie.
 - Plastic wrap secured with tape or large baggies can be used for puzzles, toys, etc. Attach tag outside of baggie or plastic wrap.
 - String, zip ties, or baggies can be used to attach shoes in pairs.
 - Clothing items with multiple pieces can be safety pinned together on one hanger, use only one tag per hanger.
 - Large items with multiple pieces or sold as a set (ex. crib and mattress) must have a tag on each piece - label one tag with the price and indicate that multiple pieces are included (ex. “1 of 4” with the item price, “2 of 4”, etc. showing price \$0.00 on all additional tags).
- If an item does not have a tag, that item becomes property of the sale. Every effort will be made to reunite lost tags with their respective item.
